

# Shalom Mumbai Mission

To eradicate Human Trafficking in this generation

## WHAT HAVE WE ACCOMPLISHED

1. Our youth volunteers have partaken in several rescue operations and rescued victims.
2. Re-integration of victims with their families under the supervision of shalom mission has done successfully.
3. Started 10 bedded facility with a house mother, counselor, and caretakers for major girl victims and has completed one year successfully.
4. On partnership with government bodies we redeveloped CWC court in Byculla.
5. As part of entrepreneurial project, our inmates made different cloth products and more than 1500 masks during the pandemic, and it's still continuing.
6. Conducted awareness programs and workshop for youths of society to end human trafficking and child sex abuse.
7. Conducted medical camps for HIV/AIDS infected persons.
8. Helped many shelter homes with food, cloths, and skill development programs.
9. Acquired 5.8 Acre of land for the further development program. At present we are doing ecofriendly farming on the acquired land.
10. Built visitors room and caretakers' quarters in the acquired land.
